MONTEVIA

— HOSPITALITY SOLUTIONS —

01 Introduction

MONTEVIA HOSPITALITY

HUMBLE BEGINNINGS

was established in Cairo, the world-renowned city of luxury cotton, in 1991. For decades, Kazareen Textile Company (MONTEVIA) has been a name synonymous with elegance, quality and luxury. Today, it still operates from the Egyptian capital providing its clients with the finest quality of cotton.

THE PERFECT TEAM

MONTEVIA brings together some of the brightest and most experienced minds in the linen industry we have over 25 years' experience in all aspects of Hospitality linen. With the operational headquarters in Cairo and offices in Asia, Africa and Europe, we are an international team with a global presence in key hospitality market locations.

THE FINEST MATERIALS

Our rich Egyptian cotton yarns, in single and double ply are woven, dyed , and finished to exacting specifications; in our facilities in Egypt This ensures MONTEVIA Hospitality has full control of all stages of production. meeting world standards and resulting in exclusive superior Egyptian cotton products.

HOSPITALITY LINEN

THE RIGHT WAY

Our ISO certified, state of the art facilities and hand-selected expert personnel, ensure the creation of chic, bespoke, and unsurpassable textiles that meet modern international standards in every aspect.

Since its founding days, MONTEVIA has grown to become the leading and most trusted name in hospitality linen. Gaining recognition for it's quality, service, commitment, and innovation,

MONTEVIA has full control over all aspects of its business, from sourcing raw material, design, production, packaging, logistics and an excellent after sales service.

We stand head and shoulders above others as genuine manufacturers with unmatched expertise in our field.

03 Sustainability

OUR CONTRIBUTION FOR A SUSTAINABLE WORLD

NATURAL FIBERS

KTC’s broad vision in eco sustainable living and our natural eco fibers sourcing capabilities allow us to provide our partners with organic cotton products and other sustainable fabrics. We support sustainable cotton plantations, which commit to reducing the use of pesticides and harmful chemicals

SMART USE OF RESOURCES

We consider the environmental impact of the materials we use and support the use of sustainable materials. Based on a life cycle approach, we take several factors into account when we evaluate the sustainability of materials, such as land use, elimination of hazardous substances, energy consumption and water consumption. KTC factories recycle valuable resources like water and use only eco-friendly and azo free bio degradable dyes and chemicals

CERTIFIED PRODUCTION

KTC is a member of GOTS and OEKO-TEX ensuring our products are made from organic fibers, have met strict environmental and social criteria during processing and have been certified by an independent, third party along the whole supply chain.

Made from 100% Egyptian cotton to create amazingly supple and soft sheets that will only get better overtime
